10. A continuación iremos donde dice IEEE Membership y haremos click.

The screenshot shows the IEEE website's navigation menu with categories: About IEEE, Membership & Services, Societies & Communities, Publications & Standards, Conferences & Events, and Education & Careers. The 'Memberships and Subscriptions Catalog' page is displayed, featuring a search bar, a sidebar with 'Browse by type' (where 'IEEE Membership' is circled in red), and a main content area with 'IEEE Top-Cited Journals' and 'Featured Memberships'. A right-hand sidebar lists 'IEEE recommends' including 'Memberships (2)' and 'Subscriptions (4)'.

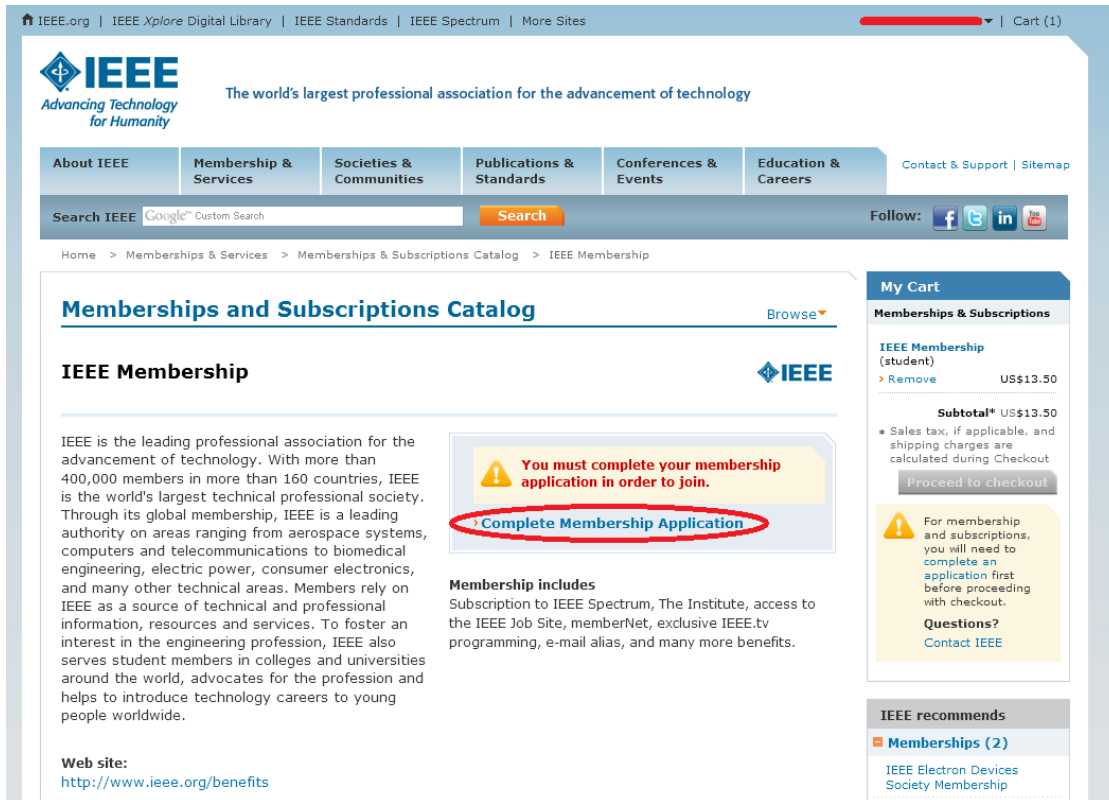

11. Seleccionaremos el tipo de membrecía que deseamos obtener, en nuestro caso será la membrecía de estudiante.

The screenshot shows the 'IEEE Membership' selection page. The 'IEEE Membership' checkbox is checked. The 'Your country' dropdown is set to 'Argentina'. Under 'IEEE Membership Prices', the 'Student Member' option is selected with a radio button, showing a price of 'US\$27.00'. The 'Add item(s)' button is circled in red. Below the price table, the 'Membership includes' section lists benefits such as 'Subscription to IEEE Spectrum', 'The Institute', 'access to the IEEE Job Site', 'memberNet', 'exclusive IEEE.tv programming', 'e-mail alias', and 'many more benefits'.

Membership Type	Price
Professional - Traditional	US\$143.00
Professional - Electronic	US\$54.00
Student Member	US\$27.00

IEEE Membership

IEEE is the leading professional association for the advancement of technology. With more than 400,000 members in more than 160 countries, IEEE is the world's largest technical professional society. Through its global membership, IEEE is a leading authority on areas ranging from aerospace systems, computers and telecommunications to biomedical engineering, electric power, consumer electronics, and many other technical areas. Members rely on IEEE as a source of technical and professional information, resources and services. To foster an interest in the engineering profession, IEEE also serves student members in colleges and universities around the world, advocates for the profession and helps to introduce technology careers to young people worldwide.
